

Do you want to work with us?

WHO ARE WE?

Marie Story is an organization that aims to educate Korean kids to:

- A) *present their culture to foreign tourists as volunteer guides*
- B) *step through the boundaries of their own country, get basic understanding of other cultures and become successful global leaders –teachers, businessmen, diplomats, NGO activists, etc.*

WHO ARE WE SEARCHING FOR?

We search a **FTRA – foreign tourist role actor**. The FTRA is not an English teacher: she or he plays the role of the overseas tourist by asking questions about places and relics from the students during the class. The goal of the FTRA is to get answers from the students, help them express themselves and assist them in becoming top quality cultural commentators.

Please contact us if you:

- 1) **Speak fluent English**
- 2) **Are genuinely interested in Korean culture and history**
- 3) **Love kids and enjoy doing activities with a small class**
- 4) **Have time and eagerness to work on the weekend**
- 5) **Plan to stay in Korea for the next one year at least.**

The classes are on Sat/Sun.

We are looking forward to working with you!
